Building Ford Short Track Power: Official Factory Guide (Do-It-Yourself Guides for Car Enthusiasts) Ford Racing Engineers, Richard Holdener

Written by engineers from the Ford Racing division, this book provides detailed instructions as well as specific parts lists and assembly techniques for building short-track versions of Ford's 351. Included are build lists for low dollar claimer engines, limited late-model motors, and full competition engines. Machining and assembly procedures, factory part numbers, best parts combinations, factory drawings, acceptable salvage yard pieces, and aftermarket components - it's all here in this official factory prepared book.
