**The Skye Trail: A Journey Through the Isle of Skye** Cameron McNeish, Richard Else

Of all Scotland's islands none casts its spell quite as dramatically as the Isle of Skye. Celebrated in song and story, Eilean a'Cheo is a place of astonishing natural beauty and attracts climbers and walkers from all over the world. The 70-mile long Skye Trail connects two of the island's most extraordinary landscapes; the world-famous Cuillin, the most rugged mountain range in Britain, and the Trotternish ridge, a rolling escarpment of basalt hills that look over the sea to the tumbled landscapes of mainland Scotland. This long walk through the island, the 'Skitis' of the Celtic world, follows ancient byways, cattle drovers' routes, mountain footpaths and an old railway line, through a land where the first inhabitants sensed the presence of their gods in every nook and cranny, on every hill and crag, in every corrie and loch. Landscape and weather and an affinity with wild nature made up the very fabric of their lives. The route visits castles, takes in geological gems like the Quiraing and the Storr, follows rivers and loch-side paths and recalls those who were brutally removed from their homes during the Highland Clearances. It visits the site of the 'last battle on British soil' and climbs Bla Bheinn, surely the finest mountain on this island of fine mountains. The route then takes its finale along the old Marble Line to Broadford, and the end of a magnificent island journey. The Skye Trail is destined to be one of the most popular long distance walks in Britain. Adopted by the Highland Council as an official long distance walk, it was brought to life by BBC Scotland's often repeated "Skye Trail" presented by Cameron McNeish. This illustrated book is based on the broadcast and Cameron's experiences of the trail, the island, its people and its history and environment.

### **From reader reviews:**

#### **Henry Knight:**

The particular book *The Skye Trail: A Journey Through the Isle of Skye* has a lot of info on it. So when you read this book you can get a lot of help. The book was written by the very famous author. The writer makes some research just before writing this book. This kind of book is very easy to read; you can obtain the point easily after reading this book.

#### **Thomas Daniels:**

This *The Skye Trail: A Journey Through the Isle of Skye* is a great guide for you because the content which is full of information for you who always deal with the world and also have to make a decision every minute. This particular book reveals its details accurately using great management words or we can point out no rambling sentences included. So if you read it hurriedly you can have whole information in it. Doesn't mean it only provides straight-forward sentences but hard-core information with wonderful delivering sentences. Having *The Skye Trail: A Journey Through the Isle of Skye* in your hand like obtaining the world in your arm, details in it is not ridiculous at all. We can say that no publication that offers you the world in ten or fifteen tiny rights but this book already does that. So, it is a good reading book. Hello Mr. and Mrs. busy, do you still doubt this?

#### **Toby Lowry:**

In this era of globalization it is important for someone to receive information. The information will make anyone understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of references to get information, for example: internet, magazine, book, and soon. You can view that now, a lot of publishers that will print many kinds of books. The actual book that I recommended to you is *The Skye Trail: A Journey Through the Isle of Skye*; this reserve consists a lot of the information from the condition of this world now. That book was represented just how the world has grown up. The vocabulary styles that the writer requires to explain it are easy to understand. The actual writer made some investigation when he made this book. This is why this book is appropriate for all of you.

#### **Kathleen Sinclair:**

What is your hobby? Have you heard that will question when you got pupils? We believe that that question was given by the teacher to their students. Many kinds of hobbies, every person has a different hobby. Therefore you know that little person including reading or as looking at become their hobby. You must know that reading is very important as well as books as to be the issue. Books are important things to provide you knowledge, except your current teacher or lecturer. You get good news or updates about something by books. Different categories of books that you can go onto be your object. One of them is actually *The Skye Trail: A Journey Through the Isle of Skye*.
