The coloring book series, The Torah in Living Color (TM), is designed to be enjoyed along with the weekly Torah readings observed by millions around the world. The boldface type in the lower left corner of the page is the Hebrew name for the section of Scripture, which is the first major word or phrase in the reading. The English translation is in parenthesis. In the center of the page is the actual Scripture being read, and on the bottom is a description of the illustration.

Join us as we journey from Creation through the times of the Patriarchs, discovering our relationship with the One who created and sustains us!
