Armond Goes to a Party: A book about Asperger's and friendship Nancy Carlson, Armond Isaak
Armond doesn't want to go to Felicia's birthday party. Parties are noisy, disorganized, and smelly—all things that are hard for a kid with Asperger's. Worst of all is socializing with other kids. But with the support of Felicia and her mom, good friends who know how to help him, he not only gets through the party, but also has fun. When his mom picks him up, Armond admits the party was not easy, but he feels good that he faced the challenge—and that he's a good friend. A great book for anyone to learn about coping with autism or Asperger's.
