Hundreds of people have been helped by the Biblical teachings in this book. Alcoholics, drug addicts, the mentally ill, and people suffering from every kind of disease have been healed without medication from these teachings. Many people with cancer were healed without any treatments, people suffering from fear, anxiety, depression, MS, and just about any other type of illness you can think of have been healed. You will go beyond just laying hands on the sick to heal them. Jesus sent the disciples out with the instructions to heal the sick and cast out demons. Many people are prayed for but not healed because the root causes of their illness have not been addressed. This book covers topics like generational curses, deliverance, soul ties, forgiveness, salvation, baptism in the Holy Spirit, end times events happening today, and other topics. The teachings are easy to read and understand. Every believer can be used in a supernatural Biblical way. You can heal the sick, cast out demons, speak in tongues, prophecy, and set people free from spiritual bondage. Jesus cast demons out of twenty-five per-cent of the people he ministered to. You will learn how to cast demons out of yourself and others. How to effectively pray for the sick where you will see remarkable results. There are teachings on salvation, the Baptism in the Holy Spirit, 666 is being used today, the World Trade Tower (yes, it's in the Bible), and many other topics. There is an exciting teaching for everybody whether they are saved or not, a new believer or a church leader. Churches have used this book as a Bible study. Many people carry it with them because no matter who they may meet there is a scriptural teaching to aid them in their ministry. Don't miss out on this book. Some have said that it is the second most important book they have (besides the Bible)!
