## Is Bukkit Dead

This book was originally written before the acquisition of Minecraft by Microsoft for \$2.5 billion dollars was so announced on the Mojang website on September 15, 2014: [mojang.com/2014/09/yes-were-being-bought-by-microsoft/](http://mojang.com/2014/09/yes-were-being-bought-by-microsoft/).

Shortly prior to that announcement many unsuspecting enthusiasts discovered that their beloved craftbukkit download was removed due to a DMCA: [dl.bukkit.org/downloads/craftbukkit/](http://dl.bukkit.org/downloads/craftbukkit/).

There is an explanation posted here as to why the downloads are unavailable: [dl.bukkit.org/dmca/notification.txt](http://dl.bukkit.org/dmca/notification.txt).

Prior to the DMCA removal notice, on August 21, 2014, Warren 'EvilSeph' Loo announced that the Bukkit project would be discontinued due to undisclosed reasons, citing changes to the Minecraft EULA and poor support from Mojang as contributing factors. There's also a goodbye notice written by EvilSeph who was a leader of the Bukkit team which can be found here: [forums.bukkit.org/threads/bukkit-its-time-to-say.305106/](http://forums.bukkit.org/threads/bukkit-its-time-to-say.305106/).

This decision was later reversed by Mojang claiming to own the project as quoted by Jens Bergensten a Minecraft Developer stated, "Warren over at bukkit seems to have forgotten that the project was bought by Mojang over two years ago, and isn't his to discontinue." Source: [twitter.com/jeb\\_/status/502380018216206336](https://twitter.com/jeb_/status/502380018216206336)

Furthermore, Nathan Adams known as Dinnerbone stated, "To make this clear: Mojang owns Bukkit. I'm personally going to update Bukkit to 1.8 myself. Bukkit IS NOT and WILL NOT BE the official API." Source: [twitter.com/Dinnerbone/status/502389963606867968](https://twitter.com/Dinnerbone/status/502389963606867968)

Yet another Minecraft developer stated, "We took ownership of the Bukkit github repos & project. We'll see what happens from here." Source: [twitter.com/\\_grum/status/502381523241144320](https://twitter.com/_grum/status/502381523241144320)

Time will tell whether or not Bukkit lives on. You can follow the story here called, "The Tale of Bukkit for Minecraft 1.8." :[storify.com/lukegb/the-tale-of-bukkit-for-minecraft-1-8](http://storify.com/lukegb/the-tale-of-bukkit-for-minecraft-1-8)

As of September 3, 2014, all Bukkit download pages are currently unavailable as per a DMCA takedown request filed from one of the former Bukkit team members.
