**Salmon and Heuston on the Law of Torts** R. E. V. Heuston, Richard A. Buckley

This edition of this established classic tort text exhibits the traditional Salmond & Heuston hallmarks: a detailed treatment of the law of torts written in a highly accessible and clear style. It remains the definitive undergraduate text on this complex area of law. The impact of the House of Lords decisions in *Cambridge Water Company v. Eastern Counties Leather* and *White v. Jones* are assessed, as are significant developments relating to concurrent liability, psychiatric damage and damages for personal injury.
