## **This is Hong Kong** Miroslav Sasek

Like the other Sasek classics, this is a facsimile edition of the original book. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later. Facts have been updated for the 21st-century, appearing on a "This is . . . Today" page at the back of the book. These charming illustrations, coupled with Sasek's witty, playful narrative, make for a perfect souvenir that will delight both children and their parents, many of whom will remember the series from their own childhoods. *This is Hong Kong*, first published in 1965, captures the enchantment and the contrasts of Hong Kong in the sixties. Roaring jets bring in the tourists; bamboo rickshaws taxi them through exotic streets fragrant with incense, roasting chestnuts, and honey-glazed Peking duck. Sasek shows you the sweeping panorama of gleaming Kowloon Bay framed by misty mountain ridges, then moves in for close-ups of laborers and hawkers, refugees from the mainland, and sailors of flame-red junks, and the strange "water people" who, it is said, never set foot on dry land.

#### **Isaiah Owens:**

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this This is Hong Kong can make you truly feel more interested to read.
