*Fast-paced sports action novels that get kids reading.*

Jake and his two best friends play road hockey together and are members of the same league team. But some personal rivalries and interference from Jake's three all-too-supportive grandfathers start to create tension among the players. The kids must resolve their differences and learn to work together again if their team is to win a city championship. *Deflection!* is a humorous take on the pros of teamwork and the pitfalls of well-intentioned adult intervention.
