A richly illustrated celebration of an entire year of African-American holidays and observances: from commemorative events such as Black History Month and Martin Luther King Jr. Day, to historic holidays that still resonate today, like Pinkster, Decoration Day, and Juneteenth. Features an impressive range of material, from historical documents and artifacts to art of all styles from different eras, to beautiful photography that also provides a record of African-American life that was not widely documented at the time. Offers ideas for organizing and observing one's own commemorations by providing recipes and descriptions of traditional arts and crafts, songs and dances. The first calendar of its kind, Jubilee capitalizes on the growing interest in African American holidays and culture. An exhibition of the same name will open at the Anacostia Museum, a Smithsonian Institution in 2002.
