Manufacturing Overhead Allocation: Traditional vs. Activity-Based Shahid Ansari, Janice Bell, Shahid L Ansari

Winner of the first ever Institute of Management Accountants Jim Bulloch Award for Innovations in Management Accounting Education, this modular series has generated interest from faculty in undergraduate and graduate accounting programs. This is an entirely modular based product offering short, individual chapters on traditional and innovative topics for managerial and cost accounting. These modules are complete with end of chapter material. Each module remains consistent according to a dual triangle strategic framework which is presented in the first module, Strategy and Management Accounting.
