## Steam in the Willows: Kickstarter Colour Edition Kenneth Grahame

‘Mole suddenly flung down his brush and said “Bother!” and “O blow!” and also “Hang spring-cleaning!”...’

So begins one of the greatest children’s stories ever written: a rebellion against drudgery that sets in motion a timeless tale of friendship and adventure.

Join Mole, Ratty, Mr. Badger and Toad in this classic story, and see them brought to life in a new way.

With original illustrations by Krista Brennan, Kenneth Grahame's *Wind in the Willows* is woven with elements from the modern-day revival of artisanal craftsmanship, maker culture and the steampunk movement to create this brand new edition.
