The Moral of the Story: An Introduction to Ethics, 7th edition Nina Rosenstand

Now in its seventh edition, *The Moral of the Story* continues to bring understanding to difficult concepts in moral philosophy through storytelling and story analysis. Students will study ethical relativism by examining the film *Avatar*, explore utilitarianism through *The Invention of Lying*, and discuss Kant's deontology by examining Woody Allen's *Match Point*. They will consider virtue ethics by juxtaposing Plato's "Myth of the Cave" with the themes in *The Truman Show*. Rosenstand's work is lively and relatable, and students will enjoy discussing examples from contemporary film, fiction narratives, and even popular comic strips.

Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.
