The Spoken Cabala: Tarot Explorations of the One Self Jason C. Lotterhand

This book was originally published in 1978 as, "The Thursday Night Tarot." Written by the late Jason C. Lotterhand and edited by his friend and student, Arisa Victor, this book contains the "essence" of Jason's Thursday night messages as they related to the 22 cards of the major arcana. Mr. Lotterhand began his training with BOTA (Builders of the Adytum founded by Dr. Paul Foster Case) in 1933 and later severed as Director of that organization. This second edition book contains new material contributed by the editor, a first-hand never before published interview with the author, and several photographs.
