An imaginative (and imaginatively designed) book on a perennially popular topic.

Some twins look alike. Some don't. Sometimes both are boys. Sometimes both are girls. Sometimes there's one of each. It's special to be a twin. Elegant photos plus simple, insightful text make About Twins the only book that lets young readers enter the close-knit world of twins. Real quotes from real twins plus a note from a parent and an introduction from co-author Sheila M. Kelly make this an ideal book for anyone who is a twin--or has ever wished to be one.
