The Human Use of Animals: Case Studies in Ethical Choice F. Barbara Orlans, Tom L. Beauchamp, Rebecca Dresser, David B. Morton, John P. Gluck

The first set of case studies on animal use, this volume offers a thorough, up-to-date exploration of the moral issues related to animal welfare. Its main purpose is to examine how far it is ethically justifiable to harm animals in order to benefit mankind. An excellent introduction provides a framework for the cases and sets the background of philosophical and moral concepts underlying the subject. Sixteen original, previously unpublished essays cover controversies associated with the human use of animals in a broad range of contexts, including biomedical, behavioral, and wildlife research, cosmetic safety testing, education, the food industry, commerce, and animal use as pets and in religious practices. Scientific research is accorded the closest scrutiny. The authors represent a wide range of expertise within their specialized areas of research--physiology, public policy, ethics, philosophy, law, veterinary science, and psychology. The careful analysis of each case makes it possible to elevate the discourse beyond over-simplified positions, and to demonstrate the complexity of the issues. The Human Use of Animals will be welcomed by students and faculty in law, philosophy, ethics, public policy, religion, medicine, and veterinary medicine. It will also interest activists in the animal protection movement, and members of animal protection organizations and Institutional Animal Care and Use Committees.

From reader reviews:

James Connell:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Merely you can be answered for that question above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't desire do that. You must know how great along with important the book The Human Use of Animals: Case Studies in Ethical Choice. All type of book is it possible to see on many solutions. You can look for the internet methods or other social media.

Harold Houston:

People live in this new day of lifestyle always aim to and must have the free time or they will get lots of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely sure. People is human not really a huge robot. Then we inquire again, what kind of activity are there when the spare time coming to an individual of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, the actual book you have read will be The Human Use of Animals: Case Studies in Ethical Choice.

William Oden:

Playing with family in a park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, and then why you don't try point that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Human Use of Animals: Case Studies in Ethical Choice, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

Scott Duran:

Is it you actually who having spare time then spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This The Human Use of Animals: Case Studies in Ethical Choice can be the respond to, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these textbooks have than the others?
