Boss Tracy Brown

Empire meets Scandal meets Romeo and Juliet with an edgy twist in Boss, a new standalone novel from bestselling author Tracy Brown.

Crystal Scott has the world at her fingertips. At the height of her career at a wildly popular magazine and on the rise in an enviable social circle, she's beginning to think that maybe she can have it all. But her entire life, body, and soul is threatened when Troy Mitchell, the man who stole her heart and shattered her world a decade ago, returns. Crystal has never felt the insatiable passion she felt for Troy since...and she's never forgotten the harsh sting at betrayal when he left her and her family devastated in his wake.

Troy has never gotten over his love for Crystal, and he will stop at nothing for a second chance to possess her heart. Crystal can't help but fall for the handsome, powerful, enigmatic man she used to love all over again. But the families of both lovers will not stand for their love, and a raging inferno of bitterness and revenge threatens to consume them both as tensions ignite. With deadly twists and turns, Crystal and Troy must choose each other and give in to love, or they will not escape the ties that bind them...
