Crossed #5 Garth Ennis

Written by Jacen Burrows, Garth Ennis. Mature Readers The most controversial series of the year continues as Garth Ennis pulls out all the stops to write the most twisted book of his career! Cindy and her rag-tag team of fellow survivors are still on the run, but now the Crossed has focused all their energy on a vicious new game: bringing as much pain and suffering to the survivors as they can! Nothing is going right, but this is no fairy tale - there are no magic cures on the horizon. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed! This stomach-churning vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows.
