From Paul to Valentinus: Christians at Rome in the First Two Centuries

Peter Lampe

From Paul to Valentinus: Christians at Rome in the First Two Centuries Peter Lampe

In this pathbreaking study of the rise and shape of the earliest churches in Rome, Lampe integrates history, archaeology, theology, and social analysis. He also takes a close look at the inscriptional evidence to complement the reading of the great literary texts: from Paul's Letter to the Romans to the writings of Clement of Rome, Justin Martyr, Montanus, and Valentinus. Thoroughly reworked and updated by the author for this English-language edition, this study is a groundbreaking work, broad in scope and closely detailed. In six parts, comprised of 51 chapters and four appendices. Lampe greatly advances our knowledge of the shape of leadership and the Christians' relation to the Judeans living in Rome.
