SMKE is an extension to my first book SMK. This book contains a collection of poems I wrote in a 3 year time frame (2012-2015). This book represents the ending of the SMK era and the transition into new romances, falling outs, and changes that transpired between 2015 through 2016. As well as other poetry that I felt were more suitable for this new era. I hope you can enjoy this book and that you can very much relate. All these poems come from real life situations that are mostly mine, or somebody that I know. Thank you for supporting. From my heart to yours.
