Phillip J. Mickelson

The Collector's Guide to Ski-Doo Snowmobiles Phillip J. Mickelson

Joseph-Armond Bombardier devoted his entire life to finding mechanical designs that would help conquer the elements in his part of the world — Valcourt, Quebec, Canada, where winters are long and deep with snow. One of his greatest inventions was a motorized snow vehicle, the first of which allowed a missionary friend of his to cross miles of woods that would have not otherwise been passable.

From that first Bombardier snow machine to the newer Formula series models, all Ski-Doo snowmobiles to 1995 are covered in this Collector's Guide to Ski-Doo Snowmobiles.

The book traces the development of the snowmobiles, their engines, suspensions, and comfort features. It takes you from the age of wooden skis and bodywork to today's light, powerful, and aerodynamic Ski-Doo models. Technical specifications and year-by-year updates are included, along with 135 photos.

From reader reviews:

Grace Robinson:

Do you have favorite book? When you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each book has different aim or even goal; it means that book has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are really reading whatever they consider because their hobby is definitely reading a book. What about the person who don't like reading through a book? Sometime, man or woman feel need book after they found difficult problem or perhaps exercise. Well, probably you should have this The Collector's Guide to Ski-Doo Snowmobiles.

Evelyn Nielson:

People live in this new moment of lifestyle always attempt to and must have the spare time or they will get wide range of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely yes. People is human not only a robot. Then we request again, what kind of activity do you have when the spare time coming to a person of course your answer can unlimited right. Then do you try this one, reading ebooks. It can be your alternative within spending your spare time, the book you have read is The Collector's Guide to Ski-Doo Snowmobiles.

Walter Goodwin:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Collector's Guide to Ski-Doo Snowmobiles can make you feel more interested to read.

Margo Soares:

Reading a book make you to get more knowledge as a result. You can take knowledge and information from the book. Book is composed or printed or outlined from each source this filled update of news. Within this modern era like today, many ways to get information are available for an individual. From media social just like newspaper, magazines, science book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Ready to spend your spare time to spread out your book? Or just searching for the The Collector's Guide to Ski-Doo Snowmobiles when you needed it?
