The Ethereal Vision (Volume 1) Liam Donnelly

Jane has always suppressed her dormant paranormal abilities: telepathy, clairvoyance, psychokinesis. The only significant thing that she connects them to is a devastating accident that occurred in her childhood. Amidst the stirrings of an approaching danger she cannot articulate, a distantly remembered spectre from her past—a non-human entity by the name of Max—returns with a warning: a dangerous man is pursuing her. Now, the walls she had so carefully erected around her psychic abilities begin to crumble as she is forced to defend herself against this new intruder.
