The Rewritten Joshua Scrolls from Qumran (Beihefte Zur Zeitschrift Fur die Alttestamentliche Wissenschaft) Ariel Feldman

Among the unknown Jewish writings that emerged from the caves of Qumran are five scrolls rewriting the Book of Joshua. The present volume offers a detailed analysis of these texts and explores their relationship with each other and other Second Temple Jewish writings concerned with the figure of Joshua. The first full-blown study of this group of scrolls, this book is of interest to students and scholars working in the fields of the Dead Sea scrolls and ancient Jewish biblical interpretation.
