God is a God of grace and you will find him as such every day of the year as you open this devotional. Following a chronological reading plan, God's grace shines gloriously from Genesis through Revelation.

Each daily devotion consists of a concise synopsis of a portion of that day's Scripture, a suggested way in which we might see God's grace similarly today, and concludes with application questions. In other words: what it says, what it says to us, what it means for us. Each day is completed with a prayer that could be the starting gate for your own private time with God.

If you choose to use it as such, this devotional could be a springboard for your personal journal. While questions are included each day, it is highly possible that God will take you in an entirely different direction. Trust him and ask him to show you his grace that is sufficient for you each day.

In addition, for those who like to go a little deeper, supporting Scripture verses are included in the text for further study.
