## Basic Geometry Math Activity Book, Middle Grades

Make math matter to students in grades 5 and up using Basic Geometry! This 128-page book leads students from points and lines to angles, two-dimensional shapes, and three-dimensional space figures. All of the included concepts are teacher-tested and illustrated with easy-to-understand diagrams and patterns for three-dimensional figures. Students construct these foldable models. Aligned to the Common Core State Standards and NCTM standards , national, and Canadian provincial standards.
