Florida Criminal Law Pearl Goldman

Florida Criminal Law is the first text to provide a comprehensive examination of crimes and defenses in Florida. The book seeks to describe the existing and evolving substantive rules of Florida criminal law and to convey an understanding of these rules and their applications in a variety of situations. Its 25 chapters address topics traditionally taught in criminal law courses, such as the principles of punishment and sentencing, statutory interpretation, the elements of crimes and defenses, homicide, sexual battery, inchoate crimes, and accomplice liability. The book also covers topics frequently omitted from course books, such as assault and battery, arson, burglary, kidnapping, entrapment, and permissive and mandatory presumptions. Readers will gain insights into issues unique to Florida criminal law, including the state's Stand Your Ground Law, its Unborn Victims of Violence Act, and its attempted felony murder statute, as well as emerging areas of legislative change such as human trafficking. The book will be useful to law students and graduates studying for bar exams, academicians, legal scholars, judges, legislators, and the practicing bar. It is also suitable for use in undergraduate criminal law classes and paralegal programs.

From reader reviews:

Emily Walker:

Here thing why this specific Florida Criminal Law are different and trustworthy to be yours. First of all examining a book is good nonetheless it depends in the content of it which is the content is as yummy as food or not. Florida Criminal Law giving you information deeper and different ways, you can find any book out there but there is no guide that similar with Florida Criminal Law. It gives you thrill reading journey, its open up your eyes about the thing this happened in the world which is possibly can be happened around you. You can easily bring everywhere like in area, café, or even in your technique home by train. When you are having difficulties in bringing the paper book maybe the form of Florida Criminal Law in e-book can be your substitute.

Bill Flores:

The reserve with title Florida Criminal Law contains a lot of information that you can study it. You can get a lot of advantage after read this book. This kind of book exist new know-how the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to learn how the improvement of the world. That book will bring you inside new era of the syndication. You can read the e-book on your own smart phone, so you can read the idea anywhere you want.

Jeff Brown:

The reason? Because this Florida Criminal Law is an unordinary book that the inside of the guide waiting for you to snap this but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the publication store hurriedly.

Florence Ross:

Florida Criminal Law can be one of your starter books that are good idea. We all recommend that straight away because this publication has good vocabulary that may increase your knowledge in words, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort to place every word into enjoyment arrangement in writing Florida Criminal Law but doesn't forget the main level, giving the reader the hottest as well as based confirm resource info that maybe you can be considered one of it. This great information may drawn you into completely new stage of crucial considering.
