Gender and Competition: How Men and Women Approach Work and Play Differently Kathleen Deboer

A fascinating look at how men and women approach competition—both on and off the court. Noted author and lecturer Kathleen J. DeBoer first examines many of the non-physical differences between the sexes (their values and fears, conversation, behavior, psychological adjustment, etc.), then DeBoer helps define these and other variables as they relate to gender differences in both competitive play and competitive work environments. Finally, DeBoer offers detailed suggestions on how men and women can communicate, understand, and ultimately overcome their differences.
