**Sentences from the Archive** Director of the Centre for Creative and Cultural Research in the Faculty of Arts and Design Jen Webb

Jen Webb's new collection is a series of striking prose poems that explore the ways in which personal crises and memories might be re-examined through the elusive concept of the archive. How, she asks, might we construct a personal archive to 'make sense of the past in the work of facing and building the future'? Each of these finely wrought poems is a record of life lived through significant moments.
