Theartofman.net becomes a reality! This quarterly seeks to bring balance to a genre of art that overwhelmingly favors the female figure. We feature artists that are courageous enough to focus on the male figure as a significant portion of their portfolio. We bring you in-depth interviews into their thought processes, choices, struggles and creativity in a way no book on the subject can; a buffet for the connoisseur of figurative art. This journal includes interviews with Cauro Hige, Tom Durham, Robert Adamcik, Daniel Barkley and Tony de Carlo, a gallery interview Adonis Art Gallery of London, historical article on William Adolphe Bouguereau by Grady Harp, information on other publications focusing on the classical male figure, an article by the editor about collecting fine art prints, and a directory of over 125 artists and their websites.
