Can you relate to the stories of women in the Bible, or do you seem to have little in common? The Ruth Experience takes a closer look at the story of Ruth and Naomi and the key truths we can apply to our own lives today. Ruth and Naomi watched their dreams die, felt anger toward God, trusted God in the midst of trials, had faith to move before seeing God move, and experienced redemption—all lessons that remain relevant and critical to women today. Written with the combined experience of attorney Julie Fisk, social worker Kendra Roehl, and journalist Kristin Demery, The Ruth Experience includes modern-day testimonies from women who have experienced God during the trials and triumphs of life. Pertinent questions will help you uncover your own story of what God has done, empowering and encouraging you to share the story of God's power in your life. Discover the power of recognizing and sharing your story of faith with those around you.
