## **Andy Warhol: The Complete Commissioned Magazine Work** Paul Marechal

This gorgeously illustrated deluxe volume shows the full range of Warhol's work for magazines--which will surprise even his most ardent fans--and includes cover art, editorial illustration, and ad work. Beginning with the cover of a 1948 issue of Carnegie Tech's student magazine, *Cano*, and ending with a 1987 issue of *Jet Society International*, this stunning book explores, for the very first time, the full story of Warhol's collaborations with some of the most influential publications of the 20th century, including *Harper's Bazaar*, *Vogue*, *Time*, *TV Guide*, *Vanity Fair*, and *Playboy*. Generously illustrated with images of the magazine layouts, this landmark publication collects more than 400 issues, revealing the artist's full range of styles while also charting his artistic development over the decades. From charming drawings of shoes, hats, flowers, and cats to iconic illustrations of cars and cosmetics, from glitzy celebrity portraits to sexy pinups made with collaged Polaroids, this catalogue raisonné sheds new light on the influence of the media and consumerism on contemporary art (and vice versa) even as it offers a unique perspective on Warhol's deep and lifelong connection to popular culture.
