How to start Day Trading on \$500 Capital is short, sweet and gets to the point and tells you in about 100 pages the basics of what you need to know to get you in the driver's seat of your own money train and how you can begin trading the live markets on as little as \$500.

You want to learn to trade and invest right? You want to make *unlimited* money and have a lot of freedom to do the things you like to do *right*? **How to start Day Trading on \$500 Capital** tells you how you can be on your way to giving yourself and your family the best life you could ever imagine all from the comfort of your own home perhaps. I walk from my bedroom to my office and that is my commute to work for the day, *can you get your head around that?*

Everyone has to start *somewhere* in this business and you must have the *right information* from the very first day if you want to become successful in this business, the good news is you don't need to know *everything* all at one time nor could you. The even better news is that you don't have to learn how to trade *every* asset class and how to become an expert in every conceivable aspect of trading, you should concentrate on becoming a specialist versus being a generalist and **How to start Day Trading on \$500 Capital** will empower you to get started on your journey to doing that.

How to start Day Trading on \$500 Capital gives you clear concise information it would take you *years* to find out on your own before you could begin to have any chance at making a real income from the live markets. The live markets are not for the weak minded, untrained or underfunded and should you decide to *go in there* underfunded, unprepared or under prepared as a beginner retail trader only one thing will happen, you'll get **FUBAR**, don't be *that* trader!
