The Oresteia

Aeschylus

The Oresteia Aeschylus

The only complete trilogy to survive from the ancient Greek theater is here presented in the first sound recording of all three plays: Agamemnon, The Libation Bearers, and The Eumenides. In the Oresteia, Aeschylus dramatizes the myth of the curse on the royal house of Argos. The action begins when King Agamemnon returns victorious from the Trojan War only to be treacherously slain by his own wife. He ends with the trial of their Orestes, who slew his mother to avenge her treachery--a trial with the goddess Athena as judge, the god Apollo as defense attorney, and, as prosecutors, relentless avenging demons called The Furies. The results of the trial change the nature of divine and human justice forever.
