The Roar of the Lion

The Roar of the Lion Jeanie Beth Kristo

In the pages of this book you will find many of God's angels. Many are named after the fruits of the spirit in the Bible. On occasion there is a twist on words by using these names. Just keep reading and it all will make sense. There are two angels that are the main characters. Their names are Love and Peace. They go from one disturbing situation to another instantly. They go from the side of a precious small boy caught in the forces of the conflict of good and evil, to the blood splattered Battle Zone. In his moments of silliness Peace, tries very hard to aggravate his angel partner. From a shelf loaded with sterile sheets falling on Peace, to tripping over garbage cans, he sure is a challenge to his fellow comrade. Remember always follow the cloud by day and the pillar of fire by night.
