This unique coloring book features immersive aerial views of real cities from around the world alongside gorgeously illustrated, Inception-like architectural mandalas. Artist Steve McDonald's beautifully rendered and detailed line work offers bird's-eye perspectives of visually arresting global locales from Rome. The adult coloring book's distinctive large square format offers absorbingly complex vistas to color, the crisp white pages are conducive to a range of artistic applications, and a middle margin keeps all the artwork fully colorable. Complementing the cityscapes are a selection of mind-bending labyrinthine architectural illustrations for still deeper meditative coloring adventures and imaginative flights of fancy.
