## **Seven Deadly Sins: Settling the Argument Between Born Bad and Damaged Good** Corey Taylor

For the first time, Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner. And Taylor knows how to sin. As a small-town hero in the early '90s, he threw himself into a fierce-drinking, drug-abusing, hard-loving, live-for-the moment life. Soon Taylor's music exploded, and he found himself rich, wanted, and on the road. His new and ever-more extreme lifestyle had an unexpected effect, however; for the first time, he began to actively think about what it meant to sin and whether sinning could--or should--be recast in a different light. *Seven Deadly Sins* is Taylor's personal story, but it's also a larger discussion of what it means to be seen as either a "good" person or a "bad" one. Yes, Corey Taylor has broken the law and hurt people, but, if sin is what makes us human, how wrong can it be?
