THE WHITE WOLF'S CURSE by Nicole Ash When Erica falls afoul of psychos on the train home, she's certain only a horrible fate awaits her. Her fears seem borne up when she's stripped naked and staked down like a lamb for the slaughter. She isn't certain what she's being used as bait for and she doesn't want to know either. To her surprise and relief, she's rescued by twin brothers, a pair of white knights-sort of-but at least their idea of eating her alive is a lot more fun. **HOWL FOR ME** by Marlee Eastman, Marie Morin, and Sydney Somers Brooke wasn't in favor of running from her ex, but she allowed her best friend Harley to talk her into taking a vacation at the single's resort owned and run by her boyfriend's brother, Dash. The chemistry between them seemed mutual, instantaneous, and hot, but Dash seemed determined to keep his distance. Brooke just couldn't figure out why. **HUNGRY EYES** by Raven Willow-Wood A closely guarded secret for generations--even the royals whom they protect do not know that their beloved panthers have the ability to shape shift at will. When the evil wizard, Balthazar, attacks, Ruggero sacrifices himself to protect the princess, Bredamante, allowing her to escape the wizard's clutches. Even as she flees into hiding, though, she knows it is only a matter of time before he captures her. Rating: Carnal. Contains adult language and explicit sexual content.
