**The Palliative and End-of-Life Care Handbook: Optimising delivery of care for people living in care homes** Gary Mitchell, Jessica McGreevy, Joanne Agnelli, Monica Diamond

This book provides nurses, care workers and nursing assistants working in nursing and residential care homes with a comprehensive and practical overview of palliative and end of life care. It will offer an introduction to the concept of palliative care, how it can be differentiated from end-of-life and how it can be commenced in a timely manner so that the person who is living in a care home can contribute to the planning of their own death. The book will be framed entirely within a care home context and will be illustrated throughout by clinical examples and more detailed case studies.
