Think Then Shoot: A Photographer's Pocket Notebook John M Kossik

A Photographer's Pocket Notebook Simple and straight forward. Page to enter your camera and film settings on one side, a grid-marked blank page on the other for notes, sketches, and whatever other details you need to document. Camera and film settings page has enough entries for most film sizes on one sheet. Also included is a handy simple Exposure Guide Chart for those times when you leave the light meter in the car or just want a second opinion on just what the correct settings should be. Shooting digital? This neat little notebook is perfect for jotting down details not necessarily noted in your camera's Exif file.
