The ultimate guide for tennis players seeking to improve their game. Dr David Greene breaks down each element of the game, and uses hundreds of photos and illustrations to show each point precisely. He includes the advice of the world's smartest pros, and cites examples from the greatest players of yesterday and today. The author shares the dozens of tips and secrets he's acquired during his 50-plus years as a tennis player, coach and instructor. The book contains step-by-step guidance for service, baseline and net play; master forehand, backhand and spin shots; and tactics and strategy. More than 700 high-quality, full-color photographs and drawings make this the finest tennis instruction book ever produced. This hardcover, 288-page guide has been hailed as a "monumental achievement" by former champion, Roy Emerson. ESPN's expert tennis commentator, Cliff Drysdale, says the book is an "encyclopedia" that bridges the gap between traditional and new-world thinking.
