Cultural Issues: Creation/Evolution and the Bible (Teacher Guide) Master Books

The vital resource for grading all assignments from the *Cultural Issues: Creation/Evolution and the Bible* course, which includes:

- Learning answers, information, and strategies when facing destructive influences found in the workplace or school environments
- Studying fossils, the age of the earth, the beginning of life, and more in these two volumes focused on points of contention related to the Bible, faith, and science.

OVERVIEW: This curriculum has been put together to provide the answers to many common objections to biblical worldviews and scriptural authority of the Bible. Practical tests are included to strengthen the student's grasp of key concepts and terms, while providing critical thinking opportunities to put their knowledge to work. Students will learn to apply the Biblical worldview to subjects such as evolution, carbon dating, Noah's ark and the Flood, and dozens more. They will discover answers to help know the depths of God's wisdom found in His Word and in His world, and why this matters to your life, your family, and your faith.

FEATURES: The calendar provides lesson planning with clear objectives, and the worksheets and tests are all based on the materials provided for the course.
