How to Skin a Lion: A Treasury of Outmoded Advice Claire Cock-Starkey

Have you ever wondered how to pan for gold, train a falcon, or make a love potion? Could you restore a drowned person, smoke your own bacon, or correctly address a Maharajah? If not, fear not—you will find the answer in this book. *How to Skin a Lion* is a fascinating collection of miscellaneous historical advice, gathered from the magnificent archives of the British Library. Drawing on medieval manuscripts, Victorian manuals, and self-help guides of the early 20th century, the book uncovers an extraordinary range of guidance from etiquette to apiculture, medicine to mechanics. *How to Skin a Lion* offers an intriguing insight into a past with no modern conveniences, where navigating the social scene was fraught with perils and Google did not hold the answer to everything.
