Increasing Multicultural Understanding (Multicultural Aspects of Counseling And Psychotherapy)

Don C. Locke, Deryl F. Bailey

Increasing Multicultural Understanding, Third Edition provides the necessary tools to foster positive and productive relationships among culturally diverse populations. Authors Don C. Locke and Deryl F. Bailey encourage readers to explore their own cultural background and identity, and in the process, begin to better understand others. A best-seller in the first and second editions, this revised and expanded third edition continues to present its classic framework for critical observation with at least 10 elements, including: the history of oppression, religious practices, family structure, degree of acculturation, poverty, language and the arts, racism and prejudice, sociopolitical factors, child-rearing practices, and values and attitudes.
