## **The Billionaire's Private Island: Book 2!**

Billionaire Luke “The Bullet” Garmont is devastatingly handsome, lonely, horny, and sick of gold-diggers. He lost his heart when the love of his life died – not his libido. He uses his wealth to buy happiness – ten gorgeous women worth of happiness, all at once, and all his! He buys a Caribbean island paradise and builds mansions filled with every luxury; one for him, and one for each of his beauties. It’s the perfect setting for a billionaire romance. He hires ten of the best matchmakers in the world. He promises them millions to help him find a playmate – not a wife.

He’s positive that the best way to find the right one is to get to know them when they think they have no competition. He anticipates their arrival with glee. He’ll woo them with everything their greedy little hearts could possibly desire. Custom-built mansions designed to cater to their every whim, whirlwind romance, moonlit walks, the finest cuisine, horseback riding across his beautiful island, sky diving – anything at all to find his perfect woman.

He’ll find a woman to be on his arm and in his bed and never, ever, in his heart. She’ll be beautiful and controllable, and they’ll be an unstoppable power couple to build his empire.
