101 Ways to Reduce Your Carbon Footprint: Simple Things We All Can Do to Lessen Our Impact on the Environment Andrea Bohmholdt

Packed with 101 creative tips for conserving the environment, this guide helps burgeoning environmentalists gradually change their lifestyle to consume less energy. Easy to follow and understand, the succinct guide explains the environmental crisis and how individual ways of living contribute directly to the problem. It then focuses on offering simple solutions to help the environment, such as reducing heat by one or two degrees, unplugging mobile phones when they are finished charging, and completing weekly shopping goals in a single excursion. Additional resources are provided to help readers begin to make the changes that will ultimately make a global difference.
