Connecting: Healing Ourselves and Our Relationships Larry Crabb

In his most significant book to date, Dr. Larry Crabb expands on his lifelong work in the field of psychotherapy to adopt a groundbreaking, but biblical, approach to healing the deep wounds of the soul-an approach that centers around building intimate, healing mini-communities in our lives and churches.

Dr. Crabb envisions a day when communities of God's people-ordinary Christians whose lives connect as husband to wife, brother to sister, friend to friend-will accomplish most of the healing that we now depend on mental health professionals to provide.

God has deposited within us the power to heal soul-disease and that power is released to do its work as we relate to each other in revolutionary new ways. In challenging, practical language, Dr. Crabb shows us how.

This revised and updated edition now includes a full workbook for those who want to better learn how to connect with the hearts and souls of those around them.
