Holy Angels: The Facts: Clear And Specific Information On God's Invisible Agents Silvanus Oluoch
What are angels like? Do they have wings? Does everyone have a guardian angel? In this new and excited treatise on the subject, author Silvanus Oluoch discloses everything the Bible says concerning angels. There is no more intriguing subject than angels. Though fascination with angels extends to virtually every corner of the earth, most people, including bible-believing Christians, do not have complete and consistent information on the subject. God's Angels, the Facts offers a step-by-step, systematic approach to understanding the mystery behind these beings. Thought of as mysterious and mystical, angelic beings, as described in God's Angels, the Facts, are presented with both simplicity and consistency, a quality lacking in today's contemporary books on angels. Vividly explaining who the various angelic beings are, including clear distinctions between them, God's Angels, the Facts explores and dismisses the many misconception people have concerning angels. With an engaging question-and-answer section, everyone will learn and gather great insight from God's Angels, the Facts. Silvanus Oluoch, one of the founding leaders of G.R.E.A.T. Ministries, serves as a teacher, pastor, and a missionary. He and his wife, Ann, have been blessed with three children: Ednaug, Fame, and Givean.
