James (7 Brides for 7 Brothers Book 6) (Volume 6) Roxanne St. Claire

Meet the Brannigan brothers—seven sexy brothers who bring the heart and the heat! From bestselling authors Barbara Freethy, Ruth Cardello, Melody Anne, Christie Ridgway, Lynn Raye Harris, Roxanne St. Claire and JoAnn Ross comes a brand new contemporary romance family series: 7 Brides for 7 Brothers. You won't want to miss a single one!

JAMES

Running a billion-dollar hedge fund doesn't leave a lot of time for fun in the sun, but that doesn't bother James Brannigan. After spending his youth helping his widowed father raise six younger brothers, James took a cue from his workaholic dad and channeled all his energy into business. So when he learns that his father left him a tiny winery on the Amalfi Coast, he's not thrilled. A trip to Italy is the last thing his busy schedule needs, but the winery has to go. Which means...he has to go to the winery.

Kyra Summers is the definition of a free-spirit. In her thirty years on earth, she's never stayed in one place long enough to put down roots until she arrived in Positano and fell hard for the bold flavors, hot sun, warm people, and above all, the wonderful wine. Her job at a small, local winery is her first attempt to make a real home and the people who run the place start to become like family to her. Until the winery's new owner, a devastatingly handsome, shockingly ruthless billionaire, arrives with plans to shut it all down. Kyra's willing to do whatever it takes to save this place she loves--even if it means cozying up to a man who's harder than granite and twice as cold.

But the Italian sunshine has a way of heating things up--with every fiery exchange, they strike sparks and draw irresistibly closer together. James is stunned by his attraction to a woman unlike any he's met before, and Kyra discovers a simmering passion hidden behind his polished exterior. But passion won't be enough to change James's mind and his priorities, which is exactly why his late father sent him to Italy. Changing James is going to take a much bigger risk--it's going to take love.
