For the new small group leader, the seasoned leader who feels their small group lacks purpose, or the leader who is itching to move their small group to the next level, *Leading Small Groups with Purpose* is the road map to follow. Steve Gladen, author of *Small Groups with Purpose* and pastor of small groups at Saddleback Church for more than a decade, takes small group leaders step-by-step toward a healthy, dynamic group with focus and purpose.

Every chapter includes ideas that small group leaders can implement immediately as well as ways to shape their small groups over time. Gladen helps leaders define success clearly, develop a personal leadership plan, invite members into the group, and shepherd members through fellowship, discipleship, ministry, evangelism, and worship. He also includes a chapter devoted to addressing problems proactively and using them as opportunities for growth. Includes a foreword by John Ortberg and a free small group assessment tool (\$12.50 value).
