Planning a party can be fun, but doing it right requires organization and creativity. Social graces have gone through a major transformation since the days of Emily Post, so it's time for a book that brings you up to date on modern decorum. Along with advice from celebrities and experts in the field, *Party Confidential: New Etiquette for Fabulous Entertaining* answers the questions people want--and need--to know about everything related to a party, from planning to attending. It addresses topics that are not covered in traditional etiquette books and takes a new approach to covering the basics. You'll learn all the essentials, like how to:

- \* Invite someone last-minute
- \* Handle unexpected guests
- \* Accommodate dietary requests like vegan or kosher
- \* Leave a party early
- \* Ask if you can bring a guest
- \* Respond to an RSVP--and when
- \* And much, much more.

This is the only book you need to be a consummate host, as well as a perfect guest, at every party.
